Desirable:

- Participation in health and healthcare research projects
- Acquisition of own project funds and assumption of management tasks
- Knowledge of research approaches or methods in one of the following topics: patient-centered outcomes, health literacy or health inequalities; or knowledge of psychosocial health research in respect to chronic conditions, or specific target groups such as children and adolescents
- International research experiences
- Interdisciplinary work (e.g. with medicine)
- Several years of experience in university teaching

This vacancy is open to all persons, irrespective of gender.

Due to the underrepresentation of women in equivalent positions at the university, applications from women are particularly welcome and will be treated with priority if they have the same qualifications and as long as there are no clear reasons which make a fellow applicant more suitable

Severely disabled applicants with the same qualifications will be considered with preference.

In accordance with § 68(3) PersVG M-V, the Staff Council will only be involved in staff matters of the academic or artistic staff on request.

Unfortunately, application costs (e.g. travel expenses for interviews) will not be reimbursed by the state of Mecklenburg-Vorpommern.

Please note that by submitting your application, you provide your consent pursuant to data protection law for our processing of your application data. Further information about the legal bases and the use of your data can be found [here](#).

Applications comprising all usual documents (cover letter, curriculum vitae (CV), academic certificates, list of publications, research interests and the names and contact information of two academic references) should be sent with reference to the job advertisement number **24 /Sa02** by **1 February 2024**, preferably via email (one PDF file), to:
